Reference: Amended July Quarterly Report (4/1/08-6/30/08) received 7/19/08

Dear Mr. Hilland:

This letter is in response to your request for additional information, dated September 25, 2008.

1. The Committee is aware of the regulations regarding the disclosure of the name, address, employer and occupation of every contributor who contributes more than \$200 aggregate in an election cycle.

Every solicitation includes a clear and conspicuous request for the contributor information and informs the contributor of the requirements of federal law to report this information. If the information is not received with the contribution, the contributor is contacted within 30 days either by mail, by telephone or by email to obtain the missing information. All requests clearly ask for the missing information without soliciting further contributions, inform the contributor of the requirements of federal law for reporting this information, and, if the request is by mail, include a pre-addressed return envelope. The July Quarterly Report has been amended to disclose any additional information received. The Committee will continue to file amended reports as further donor information is received.

2. Although the regulations cited do not specifically require a candidate committee to provide the full candidate name, state and office sought when disclosing contributions made to other candidate committees, in the spirit of full disclosure, the July Quarterly Report has been amended to include this information.

Sincerely,

Robert Taub
Treasurer
